To the Mayor and Village Board
Village of North Henderson, Illinois

In planning and performing our audit of the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Village of North Henderson Illinois, as of and for the year ended May 31, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered the Village of North Henderson Illinois' internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, we do not express an opinion on the effectiveness of the Village's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses and other deficiencies that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in a normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the following deficiencies in the Village of North Henderson, Illinois' internal control to be material weaknesses:

The size of the Village administrative and accounting staff precludes certain internal controls that would be preferred if the office staff were large enough to provide optimum segregation of duties and is not a controllable weakness. Therefore, the Council must remain involved in the financial affairs of the Village to provide oversight and review functions.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Village of North Henderson's internal control to be significant deficiencies:

The Village does not have staff with sufficient accounting knowledge needed to prepare financial statements and disclosures in accordance with the modified cash basis of accounting or to prevent, detect, and correct potential material misstatement in the financial statements. As a result, the Village relies on fiscal year auditors to prepare draft financial statements for the Village's approval and is not a controllable weakness. The Board should continue to perform a detailed review of the draft financial statements and make inquiries when necessary.

This communication is intended solely for the information and use of management, the Village Board and others within the organization, and is not intended to be and should not be used by anyone other than these specified parties.

June 27, 2016

To the Village Board
Village of North Henderson, Illinois

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of North Henderson, Illinois, for the year ended May 31, 2015. Professional standards require that we provide you information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 20, 2015. Professional standards also require that we communicate to you the following information related to our audit.

Significant Findings:

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Village of North Henderson, Illinois, are described in Note 1 to the financial statements. We noted no transactions entered into by the governmental unit during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

Management has corrected all such misstatements. The following material misstatements detected as a result of audit procedures were corrected by management: adjustments to reclassify revenue, reclassify capital asset purchases, record depreciation, and record accruals.

Independent Auditors' Report

Village President and
Board of Trustees
Village of North Henderson, Illinois

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of North Henderson, Illinois, as of and for the year then ended May 31, 2015, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements as listed in the table of contents.

Management's Responsibility

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the over all presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of North Henderson, Illinois, as of May 31, 2015, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 21 through 23 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has not presented the management's discussion and analysis that governmental accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village of North Henderson, Illinois, basic financial statements. The proprietary fund budgetary comparison schedule – cash basis on page 24 is presented for purposes of additional analysis and are not a required part of the financial statements.

The proprietary fund budgetary comparison schedules - cash basis are the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

VILLAGE OF NORTH HENDERSON, ILLINOIS

NOTES TO FINANCIAL STATEMENTS

May 31, 2015

Note 1 – Significant Accounting Policies

A. Financial Reporting Entity

The Village of North Henderson operates under a Board of Trustees form of government and provides the following services to residents of the Village including general government, streets, public improvements, and water.

Generally accepted accounting principles require that the financial reporting entity include (1) the primary government (2) organizations for which the primary government is financially accountable and (3) other organizations for which the nature and significance of their relationships with the primary government are such that exclusion would cause the financial reporting entity's financial statements to be misleading or incomplete. The criteria provided in Governmental Accounting Standards Board Statement No. 14 have been considered and there are no agencies or entities which should be included as component units in the financial reporting entity.

The financial statements of Village of North Henderson have been prepared in conformity with generally accepted accounting principals (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The most significant of the Village's accounting policies are described below:

B. Basis of Presentation

Government-Wide Financial Statements

The statement of net position and the statement of activities display information about all of the non-fiduciary activities of the primary government (the Village) and its component units. Governmental activities are reported separately from business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange transactions. Business type activities are financed by fees and charges for services and are usually intended to be financially self-sustaining. Eliminations have been made to minimize the double counting of internal activities.

The statement of net position presents the financial condition of the governmental and business-type activities of the Village at year end. The statement of activities presents a comparison between direct expenses and the program revenues for each program or function of the Village's governmental activities and business-type activities. Direct expenses are those that are specifically associated with a service, program or department and, therefore, are clearly identifiable to a particular function.

Program revenues include charges paid by the recipient of the goods or services offered by the program, grants and contributions that are restricted to meeting the operational or capital requirements of a particular program, and interest earned on grants that is required to be used to support a particular program. Revenues that are not classified as program revenues are presented as general revenues of the Village, with certain limited exceptions. The comparison of direct expenses with program revenues identifies the extent to which each governmental program or business activity is self-financing or draws from the general revenues of the Village.

VILLAGE OF NORTH HENDERSON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

May 31, 2015

Note 1 – Significant Accounting Policies (Continued)

B. Basis of Presentation (Continued)

Fund Financial Statements

During the year, the Village segregates transactions related to certain Village functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. Fund financial statements are designed to present financial information of the Village at this more detailed level. The focus of governmental and proprietary fund financial statements is on major funds. Each major fund is presented in a separate column.

Proprietary funds distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenue of the Village's enterprise funds are charges to customers for sales and services. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

A fund is considered major if it is the primary operating fund of the Village or meets the following criteria:

- a. Total assets, liabilities, revenues, or expenditures/expenses of that individual governmental fund are at least 10 percent of the corresponding total for all funds of that category or type, and
- b. Total assets, liabilities, revenues, or expenditures/expenses of the individual governmental fund are at least 5 percent of the corresponding total for all governmental funds combined.

Governmental Funds

The Village of North Henderson reports the following major governmental funds:

General Fund--The General Fund is the general operating fund of the Village. It is used to account for financial resources except those required to be accounted for in another fund.

Motor Fuel Tax Fund--Motor Fuel Tax Fund accounts for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or major capital projects), that are legally restricted to expenditures for specified purposes.

Proprietary Funds

The Village of North Henderson reports the following major proprietary funds:

Water Fund--Water Fund accounts for operations that are financed by outside sources and operates in a manner similar to a private business.

VILLAGE OF NORTH HENDERSON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

May 31, 2015

Note 1 – Significant Accounting Policies (Continued)

C. Measurement Focus/Basis of Accounting

Accounting records and reports of the Village are on the cash basis. Under this method, revenue is recorded when collected and expenditures are recorded when disbursements are made. For purposes of these financial statements, the accounting for all the funds has been converted to either modified accrual basis or the accrual basis, as required by generally accepted accounting principles.

The government-wide funds are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned, and expenses are recorded at the time liabilities are incurred regardless of when the related cash flows take place. Non-exchange transactions, in which the Village gives (or receives) value without directly receiving (or giving) equal value in exchange, include property and sales taxes, grants, entitlements, and donations.

On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenues from sales tax are recognized when the underlying transactions take place. Revenues from grants, entitlements, and donations are recognized in the fiscal year in which all eligible requirements have been satisfied.

Governmental funds type funds are accounted for using the modified accrual basis of accounting. Their revenue is recognized when it becomes measurable and available as net current position. Taxpayer-assessed income, gross receipts, and sales taxes are considered measurable when in the hands of intermediary collecting governments and are recognized as revenue at that time. Anticipated refunds of such taxes are recorded as liabilities and reductions of revenue when they are measurable and their validity seems certain. Expenditures are recognized under the modified accrual basis of accounting when the related fund liability is incurred.

All proprietary funds utilize the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

D. Statement of Cash Flows

The Village has adopted a policy defining "cash equivalents" for purposes of the Statement of Cash Flows. Cash equivalents include savings accounts, demand deposit accounts, and certificates of deposit.

E. Interfund Receivables / Payables

On fund financial statements, interfund balances within governmental activities and within business-type activities are eliminated on the government-wide statement of net position.

F. Receivables

All receivables are reported at their gross value. Billed revenues from the Water Fund recognized at the end of the fiscal year are based on the actual amount billed during the month following the closing of the fiscal year.

VILLAGE OF NORTH HENDERSON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

May 31, 2015

Note 1 – Significant Accounting Policies (Continued)

G. Prepaid Items

Payments made to vendors for services that will benefit periods beyond May 31, 2015, are reported as prepaid items using the consumption method by recording a current asset for the prepaid amount and reflecting the expenditure/expense in the year in which services are consumed.

H. Capital Assets

General capital assets are reported in the governmental activities column of the government-wide statement of net position but are not reported in the fund financial statements. All capital assets are capitalized at cost (or estimated historical cost) and updated for additions and reductions during the year.

Assets are capitalized and updated for additions and reductions during the year based on the capitalization policy passed by the Village, which sets the minimum capitalization amounts as follows:

Infrastructure assets (roads, bridges, culverts, curbs, sidewalks, lighting systems, gutters, and drainage systems)	\$ 2,500
Buildings and improvements	\$ 2,500
Individual equipment	\$ 2,500

All capital assets are depreciated, except for land and improvements and construction in process. Depreciation is computed using the straight-line method over the following useful lives:

Water plant and additions	50-5 years
Buildings	40 years
Building Improvements	20 years
Roads	10 years
Sidewalks	10 years
Vehicles	5 years
Machinery & Equipment	7 years
Computer Equipment	5 years

I. Net Position and Fund Equity

- a. Government-wide Statements: Net position is reported as restricted when constraints placed on net position use are externally imposed either by creditors, grantors, contributors, or laws or regulations of other governments, or imposed by law through constitutional provisions or enabling legislation. The Village first applies its restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position is available. Net position is presented in three components:

Net investment in capital assets consists of capital assets, net of accumulated depreciation and reduced by outstanding balances for bonds, notes or other debt attributable to the acquisition, construction, or improvement of those assets.

Restricted net position results when constraints placed on net asset use are either externally

VILLAGE OF NORTH HENDERSON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

May 31, 2015

Note 1 – Significant Accounting Policies (Continued)

I. Net Position and Fund Equity (Continued)

imposed or imposed by law through constitutional provisions enabling legislation.

Unrestricted net position consists of net assets not meeting the definition of the two preceding categories. Unrestricted net assets often have constraints on resources imposed by management, can be removed or modified.

- b. Fund Financial Statements: The Village has adopted GASB Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions. This Statement establishes criteria for classifying governmental fund balances into specifically defined classifications. Classifications are hierarchical and are based primarily on the extent to which the Village is bound to honor constraints on the specific purposes for which amounts in the funds may be spent.

Application of the Statement requires the Village to classify and report amounts in the appropriate fund balance classifications.

Nonspendable Fund Balance - This classification includes amounts that cannot be spent because they are either (a) not spendable form – prepaid items or inventories; or (b) legally or contractually required to be maintained intact.

Restricted – This classification is for funds when there are limitations imposed on their use either through the enabling legislation adopted by the Village or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

Committed Fund Balance – These amounts can only be used for specific purposes pursuant to constraints imposed by formal resolutions or ordinances of the Village Board – the government's highest level of decision making authority. Those committed amounts cannot be used for any other purpose unless the Village Board removes the specified use by taking the same type of action imposing the commitment. This classification also includes contractual obligations to the extent that existing resources in the fund have been specifically committed for use in those contractual requirements.

Assigned Fund Balance – This classification reflects the amounts constrained by the Village's "intent" to be used for specific purposes, but are neither restricted nor committed. The Village Board has authority to assign amounts to be used for specific purposes.

Assigned fund balances include all remaining amounts (except negative balances) that are reported in governmental funds, other than the General Fund, that are not classified as nonspendable and are neither restricted nor committed.

Unassigned Fund Balance – This fund balance is the residual classification for the General Fund. It is also used to report negative fund balances in other governmental funds.

GASB 54 requires governmental entities to establish a policy for the application of expenditures to the above classifications. As of the end of the fiscal year, the Village had no such policy and is currently applying the default method of allocation.

VILLAGE OF NORTH HENDERSON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

May 31, 2015

Note 1 – Significant Accounting Policies (Continued)

I. Net Position and Fund Equity (Continued)

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available, the Village considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the Village considers amounts to have been spent first out of committed funds, then assigned funds, and the finally unassigned funds, as needed, unless the Village Board has provided otherwise in its commitment or assignment actions.

J. Estimates

The preparation of the financial statements in conformity with generally accepted accounting principals requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

K. Vacation, Sick Leave, and Other Compensated Absences

The Village does not pay employees for vacation, sick leave, or other compensated absences. Therefore, no liability exists as of May 31, 2015.

Note 2 – Cash and Investments

State statutes authorize the Village to make deposits in commercial banks and savings and loan institutions, and to make investments in obligations of the U.S. Treasury and U.S. agencies, obligations of states and their political subdivisions, repurchase agreements, commercial paper rated within the three highest classifications by at least two standard rating services, and the Illinois Public Treasurer's Investment Pool. Pension funds may also invest in certain non-U.S. obligations, mortgages, veterans' loans, and life insurance company contracts. The Village does not have a policy to limit allowable deposits or investments.

Custodial credit risk is the risk that in the event of a bank failure, the Village's deposits may not be available. The Village does not have a deposit policy for custodial credit risk. As of May 31, 2015, none of the Village's bank balance of \$184,205 was exposed to custodial credit risk.

As of May 31, 2015 the Village had the following Water Fund cash restricted:

Restricted for water system improvement	\$ 4,473
Restricted for water system repairs	12,310
Restricted for loan repayment	<u>3,063</u>
	<u>\$ 19,846</u>

Note 3 – Property Taxes

Property taxes become a lien on property on January 1 of the year of the levy and are collected in two installments by the County Treasurer on June 1 and September 1 of the following year with the Village receiving its significant distributions approximately 30 days later. Property tax revenue is recorded on the "deferred method". Because of the extraordinarily long period of time between the levy date, the

VILLAGE OF NORTH HENDERSON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

May 31, 2015

Note 3 – Property Taxes (Continued)

second Tuesday in September of each year, and the receipt of tax distributions from the County Collector, the property taxes are not "available" to finance current year expenditures. For those funds on the modified accrual basis, the current year tax levy is recorded as property taxes receivable and deferred tax revenue.

Assessed Valuations, Rates, and Taxes Extended

The assessed valuations, rates, and taxes extended for the current and two prior years are as follows:

	<u>2014 Levy</u>	<u>2013 Levy</u>	<u>2012 Levy</u>
Assessed valuation	\$ 1,086,025	\$ 997,502	\$ 961,247
Rate per \$100 assessed valuation			
Corporate	0.2675	0.2675	0.2675
Street Lighting	0.0461	0.0502	0.0521
Total	<u>0.3136</u>	<u>0.3177</u>	<u>0.3196</u>
Taxes extended			
Corporate	\$ 2,905	\$ 2,668	\$ 2,571
Street Lighting	501	501	501
Total	<u>\$ 3,406</u>	<u>\$ 3,169</u>	<u>\$ 3,072</u>
Taxes collected		<u>3,052</u>	<u>3,131</u>

Note 4 – Interfund Balances and Transfers

Interfund balances at May 31, 2015 are as follows:

<u>Fund</u>	<u>Interfund Receivable</u>	<u>Interfund Payable</u>
General	\$ 4,133	\$ -
Water	-	4,133
Total	<u>\$ 4,133</u>	<u>\$ 4,133</u>

As of May 31, 2015, the Village had an interfund transfer of \$3,558 from the General Fund to the Water Fund. Transfers are used to move revenues from the fund that statute or budget requires to collect them to the fund that the statute or budget requires to expend them. It also is used to move expenses from the fund that actually pays them to the fund that statute or budget requires them to be classified. For the fiscal year ended May 31, 2015 the transfers were payroll expenses paid by the General Fund. In addition, the Village had an interfund transfer of \$27,574 from the General Fund to the MFT Fund for repayment of funds to the State of Illinois.

VILLAGE OF NORTH HENDERSON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

May 31, 2015

Note 5 – Capital Assets

The following schedule summarizes the changes in the Village's capital fixed assets for the year ended May 31, 2015:

	Balance June 1, 2014	Net Additions	Net Deductions	Balance May 31, 2015
General Fund				
<u>Assets</u>				
Buildings	\$ 47,028	\$ -	\$ -	\$ 47,028
Equipment	21,992	-	-	21,992
Total buildings and equipment	<u>\$ 69,020</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 69,020</u>
<u>Accumulated Depreciation</u>				
Buildings	\$ (6,640)	\$ (1,176)	\$ -	\$ (7,816)
Equipment	(14,840)	(1,209)	-	(16,049)
Total accumulated depreciation	<u>\$ (21,480)</u>	<u>\$ (2,385)</u>	<u>\$ -</u>	<u>\$ (23,865)</u>
Land and land improvements	\$ 6,385	\$ -	\$ -	\$ 6,385
Total capital assets, net depreciated	<u><u>\$ 53,925</u></u>	<u><u>\$ (2,385)</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 51,540</u></u>

Depreciation is applied to the Village's activities as follows:

General Governmental	<u><u>\$ 2,385</u></u>
----------------------	------------------------

	Balance June 1, 2014	Net Additions	Net Deductions	Balance May 31, 2015
Water Fund				
Water plant and additions	\$ 203,441	\$ 474,311	\$ -	\$ 677,752
Depreciation	(153,196)	(10,939)	-	(164,135)
Water plant and additions, net of depreciation	<u>\$ 50,245</u>	<u>\$ 463,372</u>	<u>\$ -</u>	<u>\$ 513,617</u>
Land	\$ 200	\$ -	\$ -	\$ 200
Construction in process	85,679	-	85,679	-
Water fund nondepreciable assets	<u>\$ 85,879</u>	<u>\$ -</u>	<u>\$ 85,679</u>	<u>\$ 200</u>
Total capital assets, net depreciation	<u><u>\$ 136,124</u></u>	<u><u>\$ 463,372</u></u>	<u><u>\$ 85,679</u></u>	<u><u>\$ 513,817</u></u>

Note 6 – Long-Term Debt

On March 26, 2012, the Village obtained a \$150,000 loan from the Farmers State Bank for water improvements. During the fiscal year ending May 31, 2015, the Village advanced an additional \$92,850 in funds from the loan. The loan is payable in monthly installments of \$897 with a stated interest rate of 3.85%. The debt service requirements to maturity are as follows:

VILLAGE OF NORTH HENDERSON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

May 31, 2015

Note 6 – Long-Term Debt (Continued)

<u>Fiscal Year Ending 5/31</u>	<u>Interest</u>	<u>Principal</u>	<u>Total</u>
2016	4,539	6,230	10,769
2017	4,295	6,474	10,769
2018	4,041	6,728	10,769
2019	3,778	6,991	10,769
2020	3,504	7,265	10,769
2021-2025	13,018	40,827	53,845
2026-2030	4,380	46,219	50,599
Total	<u>\$ 37,555</u>	<u>\$ 120,734</u>	<u>\$ 158,289</u>

Changes in the long-term debt of the Village during the year ended May 31, 2015, were as follows:

	<u>Balance Beginning</u>	<u>Debt Incurred</u>	<u>Payment of Debt</u>	<u>Balance Ending</u>
Water Improvement Loan	<u>\$ 35,180</u>	<u>\$ 92,850</u>	<u>\$ (7,296)</u>	<u>\$ 120,734</u>

Note 7 – Legal Debt Margin

The legal debt limitation available to the Village is based on 8.625 percent of the current assessed valuation of the Village. The legal debt limitation for the Village based on a current assessed valuation is as follows:

Assessed valuation	<u>\$ 1,086,025</u>
Statutory debt limitation (8.625% of assessed valuation)	\$ 93,670
Total debt subject to limitation	<u>-</u>
Legal debt margin	<u>\$ 93,670</u>

Note 8 – Risk Management

Significant losses are covered by commercial insurance. There have been no significant reductions in insurance coverage. Settlement amounts, if any, have not exceeded insurance coverage for the current year or the three prior years.

Note 9 – Proprietary Restricted Net Position

The Village has established water rates for specific purposes through an ordinance passed by the Village Board. As of May 31, 2015, the Water Fund has restricted net position based on this ordinance as follows:

VILLAGE OF NORTH HENDERSON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

May 31, 2015

Note 9 – Proprietary Restricted Net Position (Continued)

Restricted for water shed roof repairs	\$ 6,631
Restricted for loan repayment	<u>\$ (1,838)</u>
	<u>\$ 4,793</u>

During the fiscal year ending May 31, 2014 the Village Board established separate savings accounts to maintain the revenues and expenses from these restrictions. As of the fiscal year ending May 31, 2015, the balance in these accounts does not match the amounts of restricted net position based on the ordinance.

	<u>Savings Balance</u>	<u>Net Position Balance</u>	<u>Balance Over/ (Under) Funded</u>
Roof Repair	\$ 4,473	\$ 6,631	\$ (2,158)
Depreciation	12,310	-	12,310
Loan Repayment	3,063	(1,838)	4,901
	<u>\$ 19,846</u>	<u>\$ 4,793</u>	<u>\$ 15,053</u>

Note 10 – Subsequent Events

Subsequent events were evaluated through June 27, 2016, which is the date the financial statements were available to be issued.

Note 11 – Related Parties

The Village had no related parties or related party transactions for the year ended May 31, 2015.

VILLAGE OF NORTH HENDERSON, ILLINOIS
NOTES TO SUPPLEMENTARY INFORMATION

May 31, 2015

1. Budget and Appropriations

The Village adopts an annual budget and appropriation ordinance in accordance with Chapter 50, 330/3 of the Illinois Revised Statutes. The budget covers the fiscal year ending May 31. These appropriations are adopted on a cash basis method of accounting.

Prior to the adoption of the annual budget and appropriation ordinance, the Village Board, at least 30 days prior to such adoption, shall make this proposed appropriation ordinance conveniently available to public inspection and shall hold at least one public hearing thereon. Notice of this hearing shall be posted in at least 3 public areas around the Village at least 30 days prior to the time of the public hearing. Subsequent to the public hearing and before final action is taken on the annual budget and appropriation ordinance, the Board may revise, alter, increase, or decrease the items contained therein.

The schedule of revenues, expenditures, and changes in fund balances-budget and actual- for the governmental fund types present legally adopted budgets with actual data on a budgetary basis.
